

## 2017 Membership Agreement

Membership in the Indiana Joint Asthma Coalition (InJAC) is open to any individual who endorses the coalition's vision and mission. Membership in InJAC is free of charge. *Please return completed agreements to Roni Ford by e-mail at [indianaasthma@gmail.com](mailto:indianaasthma@gmail.com), fax at (317) 427-2288 or mail, at 615 N. Alabama St., Suite 426, Indianapolis, Indiana 46204.*

### **Mission:**

The mission of the Indiana Joint Asthma Coalition is to reduce the overall burden of asthma in Indiana.

### **InJAC members will receive:**

- Access to current asthma information and coalition news.
- The opportunity to participate in the creation and implementation of the Indiana Asthma Plan.
- Collaboration with a diverse group of experts working to improve asthma management.
- Networking opportunities with like-minded, goal-oriented professionals.
- Invitations to attend coalition meetings, webinars, conferences and other InJAC events.
- An engaged executive committee committed to creating and carrying out the coalition's agenda in a democratic manner.

**Please indicate which work group(s) you would be interested in working on. You may also be invited to participate in coalition activities based on the skills and interests you select below. Please circle all that apply.**

The **Asthma Educator Reimbursement Work Group** is working towards creating a program that provides Medicare/Medicaid reimbursement for asthma educators in Indiana. We will also look at data from other states that have been successful in this effort, and work together to make this a national practice.

The **Asthma Team-Based Care Work Group** created the statewide AMP. Meetings are on hiatus and updates are being sent regarding dissemination of, and education about, the Asthma Management Plans. This group also created surveys that are being sent to all Indiana School Nurses about the state of asthma in their schools and their students' usage of ANY AMP/AAP.

The **Conferences & Events Work Group** concentrates on planning the InJAC Annual Conference and making sure InJAC members are aware of other events in the state that are relevant to our mission.

The **Environmental & Tobacco Free Living Work Group** will focus on Environmental Justice with the goal of addressing outdoor and indoor air quality, as well as tobacco as it relates to asthma. This group will assist state wide tobacco coalitions in the promotion of smoke-free multi-unit housing developments.

**YOUR INFORMATION**

Name: \_\_\_\_\_ Credentials: \_\_\_\_\_

Organization (if applicable): \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_
